### Changes to your 2009 tax return

Information was changed because of the following:

- We changed your filing status. We refigured your tax using the Single filing status based on the information on your tax return.
- Each dependent listed on your tax return must have a valid Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). For one or more of your dependents the last name doesn't match our records or the records provided by the Social Security Administration.

As a result, we didn't allow one or more of your exemptions. This change may affect your taxable income, tax, or any of the following credits:

- Credit for Child & Dependent Care Expenses
- Education Credits
- Child Tax Credit
- Additional Child Tax Credit

If you, your spouse, or any of your dependents do not qualify for an SSN, you may obtain an Individual Taxpayer Identification Number (ITIN) issued by the Internal Revenue Service by filing Form W-7, Application for IRS Individual Taxpayer Identification Number. This number will allow you to file your return and to claim an exemption but you will be ineligible to claim the Earned Income Credit. You may call 1-800-829-3676 to get Form W-7 or download it from our website at [www.irs.gov](http://www.irs.gov).

- We disallowed all or part of your earned income credit (EIC). The information provided shows that one or more of the children on Schedule EIC, Earned Income Credit, did not meet the eligibility requirements for the credit.

## Penalties

We are required by law to charge any applicable penalties.

### Failure-to-file

Date	Months late	Unpaid amount	Penalty rate	Amount
9/15/2010	5	\$754.00	5.0%	\$188.50

When you file your tax return after the due date, we charge a penalty of up to 5.0% of the unpaid tax per month for no more than 5 months or up to 25% of the unpaid amount. If the return is more than 60 days late, we may charge the minimum of \$135 or 100% of the unpaid tax, whichever is less, for tax returns due after December 31, 2008. We count part of a month as a full month. (Internal Revenue Code Section 6651)

### Removal or reduction of penalties

We understand that circumstances—such as economic hardship, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

If you would like us to consider removing or reducing any of your penalty charges, please do the following:

- Identify which penalty charges you would like us to reconsider • (e.g., 2005 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.
- Sign your statement, and mail it to us.

We'll review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

### Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- If you asked the IRS for written advice on a specific issue
- You gave us complete and accurate information
- You received written advice from us
- You relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS service center where you filed your tax return. For a copy of the form or to find your IRS service center, go to [www.irs.gov](http://www.irs.gov) or call 1-999-999-9999.

## Interest charges

We are required by law to charge interest on unpaid tax from the date the tax return was due to the date the tax is paid in full. The interest is charged as long as there is an unpaid amount due, including penalties, if applicable. (Internal Revenue Code section 6601).

Period	Days	Interest rate	Interest rate factor	Amount due	Interest charge
04/15/2010–06/30/2010	76	6.0	0.012535919	\$942.50	\$11.82
06/30/2010–09/30/2010	92	5.0	0.012646750	954.32	12.07
09/30/2010–12/31/2010	92	6.0	0.015195019	966.39	14.68
12/31/2010–02/09/2011	40	5.0	0.005494114	981.07	5.39
<b>Total interest</b>					<b>\$43.96</b>

We multiply your unpaid tax, penalties, and interest (the amount due) by the interest rate factor to determine the interest due each quarter.
