Important message about your tax return filing requirements

File a final Form 720 if you no longer owe excise tax

For the past four quarters you indicated you had no tax to report on your Quarterly Federal Excise Tax Return (Form 720). If you no longer owe excise tax, file a final Form 720 next quarter.

What you need to do

To file your final Quarterly Excise Tax Return (Form 720)

- Write "Not liable" at the top of next quarter's Form 720, AND
- Check the box that says, "Final return," located on Page 1 of the form in the upper left corner.

If you owe excise tax in the future, we'll automatically send you Form 720 after we receive a return from you reporting tax.
