\* Occupied Territories (the West Bank and Gaza) are not partners to the Hague Abduction Convention

This chart reflects the number of outgoing cases (abduction and access) that were reported to the USCA during the 2011 calendar year (January 1-December 31, 2011).

For Hague partner country data: The above numbers reflect abductions reported to the Office of Children's Issues, not the number of Hague applications filed with a Central Authority during the given period.
